

## COVID-19 Update

Due to the ongoing concerns over the spread of the COVID-19 Coronavirus and in line with the UK Government and Scottish Government's public health advice, we have implemented control measures to reduce the likelihood of the spread of COVID-19. Mary Bobbins is now open on reduced hours as are open as follows;

Mon – Closed

Tuesday – 9am – 4pm

Wednesday – Closed

Thursday – 9am – 4pm

Friday 9am – 4pm

Saturday – 9am – 12pm.

As of the 10<sup>th</sup> July 2020 the wearing of face coverings will, by law, be compulsory (with exceptions) in all retail stores, Mary Bobbins staff may refuse the right of entry if face coverings are not being worn.

There will be hand sanitizing station within the entrance of Mary Bobbins and all customers are encouraged to sanitize.

The health and wellbeing of our staff and valued customers is the most important thing at this difficult time.

It is uncertain how long we will continue to operate with restricted hours given the rapidly changing situation and we will continue to follow the UK Government and Scottish Government's public health advice in the interim.

With our store being on reduced hours you can keep in touch with updates and changes via our website [www.marybobbins.com](http://www.marybobbins.com) or Facebook. We wish all of you and your families good health during this incredibly challenging time.

Best wishes,

Mary McBain
